

# Main Line Tracks

Drawn By David Kelly  
Scale  $\frac{3}{8}$ " = 1'-0"  
This drawing was created using original blue prints located at the Detroit Public Library and on site measurements. In some cases approximations were made from known measurements using photos.  
Due to the print scale some details have been deleted to offer higher print quality.  
Date of Drawing June 1st 2006  
Created on Auto CAD LT 2006
